

Damien Rice - It Takes a Lot To Know a Man

Tom: Eb

(com acordes na forma de Capotraste na 3ª casa (Am Em F) 2x

It takes a lot to know a man
 It takes a lot to understand
 The warrior, the sage
 The little boy in rage
 It takes a lot to know a woman
 A lot to understand what's humming
 The honey-bee, that stings
 The little girl with wings

It takes a lot to give, to ask for help, to be yourself
 to know and love what you live with
 It takes a lot to be, to touch, to feel, the slow re-veal
 of what another body needs

It takes a lot to know a man
 A lot to know to understand
 the father and the son
 the hunted and the gone
 It takes a lot to know a woman
 A lot to comprehend what's coming
 The mother and the child
 The muse and the beguiled

Refrão:

It takes a lot to give, to ask for help, to be yourself
 to know and love what you live with
 It takes a lot to be, to touch, to feel, the slow reveal
 of what another body needs

What are you so afraid to lose?
 What is it you're thinking that will happen if you do? (so afraid to lose)
 What are you so afraid to lose?
 What is it you're thinking that will happen if you do? (It takes a lot to know a man...)
 What are you so afraid to lose? (It takes a lot to know a man...)
 What is it you're thinking that will happen if you do? (It takes a lot to know a man...)
 What is it you carry on your bag? (It takes a lot to know a man...)
 What is it you notice when you can't laugh? (Know you can, have to know...)
