

# Damien Rice - It Takes a Lot To Know a Man

Tom: Eb

(com acordes na forma de Capotraste na 3ª casa ( Am Em F ) 2x C )

It takes a lot to know a man  
 It takes a lot to understand  
 The warrior, the sage  
 The little boy in rage  
 It takes a lot to know a woman  
 A lot to understand what's humming  
 The honey-bee, that stings  
 The little girl with wings

It takes a lot to give, to ask for help, to be yourself  
 to know and love what you live with  
 It takes a lot to be, to touch, to feel, the slow re-veal  
 of what another body needs

It takes a lot to know a man  
 A lot to know to understand  
 the father and the son  
 the hunted and the gone  
 It takes a lot to know a woman  
 A lot to comprehend what's coming  
 The mother and the child  
 The muse and the beguiled

Refrão:

It takes a lot to give, to ask for help, to be yourself  
 to know and love what you live with  
 It takes a lot to be, to touch, to feel, the slow reveal  
 of what another body needs

What are you so afraid to lose?  
 What is it you're thinking that will happen if you do? (so afraid to lose)  
 What are you so afraid to lose?  
 What is it you're thinking that will happen if you do? (It takes a lot to know a man...)  
 What are you so afraid to lose? (It takes a lot to know a man...)  
 What is it you're thinking that will happen if you do? (It takes a lot to know a man...)  
 What is it you carry on your bag? (It takes a lot to know a man...)  
 What is it you notice when you can't laugh? (Know you can, have to know...)
