

Damien Rice - My Favourite Faded Fantasy

Tom: D

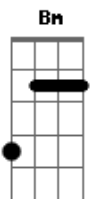

Bm **F#M**
 You could be my favourite taste
 To touch my tongue
Bm
 I know someone who can serve me love
Bm
 But it wouldn't fill me up
Bm **F#M**
 You could have my favourite face
 And favourite name
Bm
 I know someone who could play the part
Bm
 But it wouldn't be the same
G7
 No it wouldn't be the same
D
 No it wouldn't be the same
G7
 No it wouldn't be the same
Bm
 With you
Bm **F#M**
 You could be my favourite place
 I've ever been
Bm
 I got lost in your willingness
Bm
 To dream within the dream
Bm **F#M**
 You could be my favourite faded fantasy
Bm **Bm**
 I've hung my happiness upon what it all could be
G7
 And what it all could be
D
 What it all what it all could be
G7
 What it all what it all could be
Bm
 With you
G7
 What it all what it all could be
D
 What it all what it all could be
G7
 What it all what it all could be

With you
Bm **F#M**
 You could hold the secrets that save
 Me from myself
 ?
Bm
 I could love you more than love could
Bm
 All the way from hell
Bm **F#M**
 You could be my poison my cross
 My razor blade
Bm
 I could love you more than life
Bm
 If I wasn't so afraid
G7
 And what it all could be
D
 What it all what it all could be
G7
 What it all what it all could be
Bm
 With you
G7
 What it all what it all could be
D
 What it all what it all could be
G7
 What it all what it all could be
 With you
Bm **F#M** **Bm** **G#m7-** **Bm** **Bm** **Gb**
Bm **F#M**
 Loved is all that bloomed
Bm **G#m7-**
 Always what you did
Bm **Bm** **Gb**
 Never let someone go or they
 I aint never loved like you
Bm **F#M** **Bm** **G#m7-** **Bm** **Bm** **Gb**
 'Ve never loved ive never loved
 I've never loved loved loved like you
 I've never loved
