 Older chests reveal themselves Like a crack in a wall
 Am C C F G
 Starting small, and grow in time

And we (always) seem to need the help
 of someone else
 To mend that shelf
 (of) Too many books
 Read me your favourite line
 Papa went to other lands
 And he found someone who understands
 The ticking, and the western man's need to cry
 He came back the other day, yeah you know
 Some things in life may change
 And some things
 They stay the same

Like time, there's always time
 On my mind

So pass me by, I'll be fine
 Just give me time

Older gents sit on the fence
 With their cap in hand
 Looking grand
 They watch their city change
 Children scream, or so it seems,
 Louder than before
 Out of doors, into stores with bigger names
 Mama tried to wash their faces
 But these kids they lost their graces
 And daddy lost at the races too many times

She broke down the other day, yeah you know
 Some things in life may change
 But some things they stay the same

Like time, time, there's always time
 On my mind
 So pass me by, I'll be fine
 Just give me time,
 Time, there's always time
 On my mind
 Pass me by, I'll be fine
 Just give me time
