 Older chests reveal themselves Like a crack in a wall  
 Am C C F G  
 Starting small, and grow in time

And we (always) seem to need the help  
 of someone else  
 To mend that shelf  
 (of) Too many books  
 Read me your favourite line  
 Papa went to other lands  
 And he found someone who understands  
 The ticking, and the western man's need to cry  
 He came back the other day, yeah you know  
 Some things in life may change  
 And some things  
 They stay the same

Like time, there's always time  
 On my mind

So pass me by, I'll be fine  
 Just give me time

Older gents sit on the fence  
 With their cap in hand  
 Looking grand  
 They watch their city change  
 Children scream, or so it seems,  
 Louder than before  
 Out of doors, into stores with bigger names  
 Mama tried to wash their faces  
 But these kids they lost their graces  
 And daddy lost at the races too many times

She broke down the other day, yeah you know  
 Some things in life may change  
 But some things they stay the same

Like time, time, there's always time  
 On my mind  
 So pass me by, I'll be fine  
 Just give me time,  
 Time, there's always time  
 On my mind  
 Pass me by, I'll be fine  
 Just give me time
