Tom: C
Intro: Am F C G (x2)

Am F C G
What I want from you is empty your head

Am F C G
They say: "be true, don't stain your bed"

Am F C G
We do what we need to be free

Dm F G
And it leans on me like a rootless tree

Am F C G
What I want from us is empty our minds

Am F C G
We fake the farce, and fracture the times

Am F C G
We go blind when we've needed to see

Dm F G
And this leans on me, like a rootless...

Am F C G
Fuck you, fuck you, fuck you, and all we've been through

Am F C G
I said leave it, leave it, leave it, there's nothing in you

Am F C G
And did you hate me, hate me, hate me, then hate me so good

Am F C
That you can let me out, let me out, let me out

G
Of this hell when you're around

Am F C
Let me out, let me out, let me out

G
Hell when you're around

Am F C G
Let me out, let me out, let me o__ut

Am F C G
What I want from this is learn to let go

Am F C G
I know not of you, of all that's been told

Am F C G
Killers re-invent and believe

Dm F G
And this leans on me, like a rootless...

Of this hell when you're around
Let me out, let me out, let me out

Hell when you're around
Let me out, let me out, let me out

Hell when you're around
