

Damien Rice - Stoic

Tom: C

Don't know how to feel
 Don't know how to fuck
 Something has me stoic
 Something has me caught

I don't know how to comfort you
 Don't know how to comfort me

Don't know if I'm all right
 Don't know if I'm all wrong
 Don't know if I'm lost in this
 Wanting to be lost

I don't know how to comfort you
 I don't know how to comfort you

But I know
 I know
 I know
 I have to go

But I know
 I know
 I know
 I have to go

I don't want to fight

Here it comes again
 Something has me furious

I cannot pretend

And I don't know how to comfort you
 I don't know how to comfort me
 I don't know where I'm coming to
 Cause I don't know where I want to be

But I know
 I know
 I know
 I have to go

I know
 I know
 (humming)
 I have to go

Just because I said I'd stay
 It doesn't mean I will not change
 Just because I wanted you
 Doesn't mean I'm able to

How can I be for you
 All that you want me to
 How can you be for me
 Something you can not be

Acordes
