

# Damien Rice - Stoic

Tom: C

Don't know how to feel  
 Don't know how to fuck  
 Something has me stoic  
 Something has me caught

I don't know how to comfort you  
 Don't know how to comfort me

Don't know if I'm all right  
 Don't know if I'm all wrong  
 Don't know if I'm lost in this  
 Wanting to be lost

I don't know how to comfort you  
 I don't know how to comfort you

But I know  
 I know  
 I know  
 I have to go

But I know  
 I know  
 I know  
 I have to go

I don't want to fight

Here it comes again  
 Something has me furious

I cannot pretend

And I don't know how to comfort you  
 I don't know how to comfort me  
 I don't know where I'm coming to  
 Cause I don't know where I want to be

But I know  
 I know  
 I know  
 I have to go

I know  
 I know  
 (humming)  
 I have to go

Just because I said I'd stay  
 It doesn't mean I will not change  
 Just because I wanted you  
 Doesn't mean I'm able to

How can I be for you  
 All that you want me to  
 How can you be for me  
 Something you can not be

## Acordes
