Tom: G

Afinação: D G C F A D

Verse

G D  
 Don't give me something to hold in my hand  
 Em7  
 Something else to believe in  
 Bm  
 Cause I'm over it  
 C  
 And your reason for wanting to stay  
 G  
 Your reason for wanting to change  
 D Em7  
 My reason for everything I've done to you...

PVT - Chorus

Am  
 I have tried but I don't fit  
 Em7  
 Into this box I'm living with  
 Am  
 I could go wild  
 Em7  
 But you might lock me up  
 Am  
 And I have tried but I don't fit  
 Em7  
 Into this box you call a gift  
 Am  
 I could be wild and free  
 Em7  
 But god forbid then you might envy me

Verse

G D  
 So don't give me love with an old book of rules  
 Em7  
 'cause that kind of love is just for fools  
 Bm  
 And I'm over it  
 C

And my reasons for walking away

G  
 My reasons for wanting to change  
 D Em7  
 My reasons for everything I lost with you...

Chorus

Am  
 I have tried but I don't fit  
 Em7  
 Into this box I'm living with  
 Am  
 I could go wild  
 Em7  
 But you might lock me up  
 Am  
 And I have tried but I don't fit  
 Em7  
 Into this box you call a gift  
 Am  
 I could be wild and free  
 Em7  
 But god forbid then you might envy me...

Another Chorus (humming)

Am  
 I have tried but I don't fit

 Am  
 And I have tried but I don't fit

 Into this box you call a gift
