

# Damien Rice - The Connoisseur Of Great Excuse

Tom: G

<sup>G</sup>  
Of all the foolish things to do  
<sup>Em</sup>  
I became a connoisseur of great excuse  
<sup>C</sup>  
And my pessimistic past the blame  
<sup>D</sup> <sup>D</sup>  
Will never make this go away

<sup>G</sup>  
Of all the foolish things I've said  
<sup>Em</sup>  
That keep me sleepy almost dead  
<sup>C</sup>  
I'm sorry if I've let you down  
<sup>D</sup> <sup>D</sup>  
My eyes were closed, they're open now

<sup>G</sup>  
I'm waking up  
<sup>Em</sup>  
I am waking up  
<sup>C</sup>  
I am waking up  
<sup>D</sup> <sup>D</sup>  
I awake

<sup>G</sup>  
And this has all been said before  
<sup>Em</sup>  
I've listened but then I ignored

<sup>C</sup>  
My ears grew deaf, My head gave up  
<sup>D</sup> <sup>D</sup>  
The junkie knows not when to stop

<sup>G</sup>  
Of all the foolish alibis  
<sup>Em</sup>  
The constipated push for why  
<sup>C</sup>  
I've had a blanket pulled over my eyes  
<sup>D</sup> <sup>D</sup>  
Oh hush now baby don't you cry

<sup>G</sup>  
I'm waking up  
<sup>Em</sup>  
I am waking up  
<sup>C</sup>  
I am waking up  
<sup>D</sup> <sup>D</sup>  
I awake

<sup>G</sup>  
I'm waking up  
<sup>Em</sup>  
Coming I am waking up  
<sup>C</sup>  
I'm ready I am waking up  
<sup>D</sup> <sup>D</sup>  
I awake
