

Damien Rice - Wild And Free

Tom: E

(E B Dbm Abm A Gbm)

E
Don't give me something to hold in my hand
B
Something else to believe in
Dbm
Abm
Cause I'm over it
A
And your reason for wanting to stay
E
Your reason for wanting to change
B **Dbm**
My reason for everything I've done to you...

Gbm
I have tried but I don't fit
Dbm
Into this box I'm living with
Gbm
I could go wild
Dbm
But you might lock me up...

Gbm
And I have tried but I don't fit
Dbm
Into this box you call a gift
Gbm
I could be wild and free
Dbm

But god forbid then you might envy me...

E
So don't give me love with a whole bunch of rules
B
Dbm
'cause that kind of love is just for fools
Abm
And I'm over it
A
And my reasons for walking away
E
My reasons for wanting to change
B **Dbm**
My reasons for everything I lost with you...

Gbm
I have tried but I don't fit
Dbm
Into this box I'm living with
Gbm
I could go wild
Dbm
But you might lock me up...

Gbm
And I have tried but I don't fit
Dbm
Into this box you call a gift
Gbm
I could be wild and free
Dbm
God forbid then you might envy me...
