Dan Abranches - Gold

```
                        tom:
                     Dbm
             Dbm                                  A
?Come and kiss me all day like you did before
Dbm                                    A
I can?t stop thinking about you, I just can?t avoid

Dbm
I wanna make you mine
             A
I wanna be yours
Dbm
I wanna take you high
      A
Take you to the sky
Gbm                        A  Ab
Cause you?re driving me crazy

                      Dbm
And I want you like this and I want you to stay
              A
I give everything for more days like this
            Gbm
And don?t be afraid cause
                       A  Ab
What I feel is pure gold

Dbm     A     Gbm A Ab
```
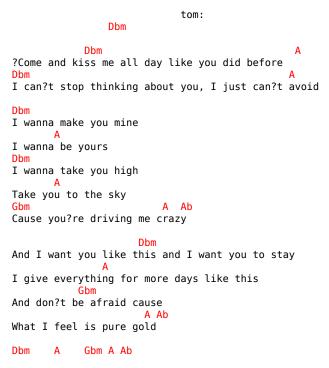

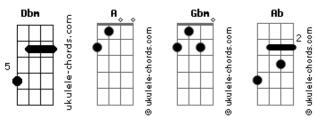

```
Gold, gold, gold

Dbm                        A
It?s so amazing what you do
Dbm                           A
Your touch is magic and I swear it?s true
Dbm
I wanna make you mine
          A
I wanna be yours

Dbm
I wanna take you high
                 A
Take you to the sky
Gbm                      A  Ab
Cause you?re driving me crazy

                      Dbm
And I want you like this and I want you to stay
              A
I give everything for more days like this
              Gbm
And don?t be afraid cause
                     A Ab
What I feel is pure gold

Dbm     A     Gbm A Ab
Gold, gold, gold
```
