There's a two lane getaway red hot summer day
Jump into my 65 mustang, ain't she a pretty thing?
Just like you, yeah it's burnin' me up, burnin' me up, burnin' me up yeah tell me what I wanna hear
Turnin' me on, turnin' me on turnin' me on yeah baby let's get outta here

Do you wanna wanna, do you wanna wanna go?
Pedal on the floorboard lay a little bit of rubber down this road bass bumpin' on the car door
Got a blue sky got a fast ride got all the time in the world so come on with it girl
Whoa all you gotta do is stop, let the top drop and roll

We can leave town right now and take it down the interstate
Just get gone oh baby we could just get lost while the radio play our favorite song
Well turnin' it up turnin' it up turnin' it up that's just what I wanna hear

Burnin' me up burnin' me up burnin' me up yeah baby let's get out of here

Do you wanna wanna, do you wanna wanna go?
Pedal on the floorboard lay a little bit of rubber down this road bass bumpin' on the car door
Got a blue sky got a fast ride got all the time in the world so come on with it girl
Whoa all you gotta do is stop, let the top drop and roll

Yeah roll down the windows let your hair blow let your hair blow
Yeah roll down the windows let your hair blow, let it all blow let it all blow
We can leave town right now and take it down the interstate
Do you wanna wanna, do you wanna wanna go?
Pedal on the floorboard lay a little bit of rubber down this road bass bumpin' on the car door
Got a blue sky got a fast ride got all the time in the world so come on with it girl
Whoa all you gotta do is stop, let the top drop and roll
Yeah roll down the windows let your hair blow, let it all blow let it all blow
