Intro: Bm7  Abm  E  Gb  B

      B
Each day I live
                        Gb
I want to be a day to give
           Gb7
The best of me
          B             E
I'm only one, but not alone
           Gb            Gb7
My finest day is yet unknown
                 B                E   B
I broke my heart fought every gain
                Gb
To taste the sweet
           Gb7
I face the pain
              B                    E
I rise and fall, yet through it all
              Gb
This much remains

One moment in time
