

# Dancing Years - Neon Lights

tom:

G

Sun, we have not been friends

Bm

A

We have not spoke in months

G

Or even made amends

G

Time, you can have your way

And if you take my nights

G

Would you leave me my days

G

If I, I can't see myself

Bm

A

As the lights go down

G

I won't see no-one else

G

I pour my make-up on my face and go

Bm

I'll know that I'll be alright

A

No, I wont be coming home tonight

G

I'll be drinking under neon lights

G

I pour my make-up on my face and go

Bm

I'll know that I'll be alright

No, I wont be coming home tonight

G

I'll be drinking under neon lights

Sun, oh you do me no good

None of my plans work out

The way I thought they would

If I, I can't be myself

And if the lights won't shine

I'll become someone else

I pour my make-up on my face and go

I'll know that I'll be alright

I'll know that I'll be alright

No, I wont be coming home tonight  
I'll be drinking under neon lights

I pour my make-up on my face and go

I'll know that I'll be alright

No, I wont be coming home tonight

I'll be drinking under neon lights

So, none of my dreams come true

So now I miss you

So now I miss you

I miss you

I miss you

I miss you

I pour my make-up on my face and go

I'll know that I'll be alright

No, I wont be coming home tonight

I'll be drinking under neon lights

I pour my make-up on my face and go

I'll know that I'll be alright

No, I wont be coming home tonight

I'll be drinking under neon lights

So, none of my dreams come true

So now I miss you

So now I miss you

I miss you

I miss you

I miss you

I miss you
