

Dandai - Sonho Na Lua

Tom: G

Eu amo a noite estrelada
 Amo a fria madrugada
 Amo o clarão do luar

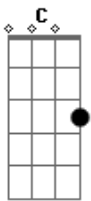

À noite vou pelos campos
 No piscar dos pirilampos
 Fico perdido a sonhar

D D7 G G

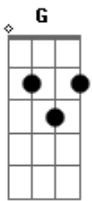

Assim minh'alma flutua
 Pelo céu de esplendores
 E a lua donzela nua
 Fica a prometer favores

Adeus meninas da rua
 Encantos dos meus amores
 Hoje vou sonhar na lua
 Sem vagalumes, sem flores
