

# Dandelion Hands - I Like You

Tom: C  
Intro:

C  
i am scared to say i miss you  
F  
last time i had you i should have kissed you  
C  
these feelings fester up inside  
F  
but how could i deny these butterflies  
C  
i hope i'm not stuck on your waiting list  
F  
because i dream of you in colors that don't exist  
C  
and i think its high time for you to know  
F  
G F G  
i like you i like you i like you  
F  
and i hope you like me too  
C  
you've been there through all i've been through  
F  
kept me sane and held my hand too  
C  
the way you make me feel alright  
F

so how could i deny your lips on mine

C  
i hope i'm not stuck on your waiting list  
F  
because i dream of you in colors that don't exist  
C  
and i think its high time for you to know  
F

G F G  
i like you i like you i like you  
F  
and i hope you like me too

C  
i am scared to say i miss you  
F  
last time i had you i should have kissed you  
C  
these feelings fester up inside  
F  
but how could i deny these butterflies
