

The Dandy Warhols - Cool Scene

tom:
 G
 Well I'm just not making your scene
 D
 And I really don't feel like I need
 A
 I really don't mean that it's cool
 Didn't really wanna be in high school
 D
 I'm dealing with the things that I've been
 If it wasn't so appropriate then
 A
 I really don't care what I sing
 And I really doubt you know what I mean
 D
 And I really don't mean that it's cool
 D7 G
 Didn't really wanna be in high school
 Bm
 All the talking fools
 G
 What it means
 A
 Last I've seen
 D
 Baby it's all me
 D
 I'm just not making a scene
 Never really felt that you're a cool being
 A
 I really don't know what I'd be

And it really isn't worth the trying
 D
 I'm feeling pretty chill with nothing
 Like I'm livin in a world that follows you
 A
 Don't really think you know your friends man
 Like you're livin in a social hydrant
 D
 And I really don't mean that it's cool
 D7 G
 Didn't really wanna be in high school
 Bm
 All the talking fools
 G
 What it means
 A
 Last I've seen
 D
 Baby it's all me
