

The Dandy Warhols - Cool Scene

tom:

D
Well I'm just not making your scene
And I really don't feel like I need
A
I really don't mean that it's cool
Didn't really wanna be in high school
D
I'm dealing with the things that I've been
If it wasn't so appropriate then
A
I really don't care what I sing
And I really doubt you know what I mean
D
And I really don't mean that it's cool
D7
Didn't really wanna be in high school
Bm
All the talking fools
G
What it means
A
Last I've seen

G

I'm just not making a scene

Never really felt that you're a cool being
A
I really don't know what I'd be

And it really isn't worth the trying I'm feeling pretty chill with nothing Like I'm livin in a world that follows you Don't really think you know your friends man Like you're livin in a social hydrant And I really don't mean that it's cool Didn't really wanna be in high school All the talking fools What it means Last I've seen Baby it's all me [Solo] A D A D D7 Didn't really wanna be in high school All the talking fools What it means Last I've seen Baby, it's all me Baby, it's all me

It's all me It's all me

Acordes

Baby it's all me
