[Verse 1]

Girl it's only you  
Have it your way  
And if you want you can decide  
That if you'll have me  
I can provide everything that you desire  
Said if you get a feeling  
Feeling that I am feeling  
Won't you come closer to me baby  
You've already got me right where you want me baby  
I just wanna be your man

[Chorus 1]

How does it feel  
How does it feel  
How does it feel  
How does it feel

[Verse 2]

I wanna stop (playing all)  
Silly little games you and me play  
And I am feeling right on  
If you feel the same-way baby  
Let me know right away  
I'd love to make you wet  
In between your thighs cause  
I love when it comes inside you  
I get so excited when I'm around you

[Chorus 2]

How does it feel  
How does it feel

[Bridge]  
Long time Said its been on my mind  
Baby close the door  
Listen girl I have something I wanna show you  
I wish you'd open up cause  
I wanna take the walls down with you
