

# Daniel Amos - Jesus Is Jehovah To Me

tom:

Intro: C Bm Am G D

[Primeira Parte]

I can tell you're a sincere man  
 And I'm trying my best to understand  
 But your words are confusing, it seems you're abusing  
 God's word that's there in your hand

[Segunda Parte]

Now a Christian you say you are  
 But that's stretching the truth much too far  
 'Cause in Christ I doubt you believe  
 And Jesus is Jehovah to me

[Refrão]

Jesus is Jehovah to me  
 He's Lord and he's King of Kings  
 Almighty God is he  
 Jesus is Jehovah to me

[Terceira Parte]

Now we both have said that the Lord's coming back  
 And you've more than once stated that fact  
 Now it seems rather odd, if you're prophets of God  
 Your dates have been so far off the track

[Quarta Parte]

Now the Watchtower can only deceive  
 But from Jesus you can receive  
 God's Spirit comes in, and you're born again  
 Singing Jesus is Jehovah to me

[Refrão]

Jesus is Jehovah to me  
 He's Lord and he's King of Kings  
 He's more than a man, he's the great I am  
 Jesus is Jehovah to me  
 If you're really awake, you'll make no mistake  
 Jesus is Jehovah to me
