[Primeira Parte]

**F7M**  
 I love dominantly  
**Bb7M**  
 You make me weak

Make me thirsty for release  
**Eb7M**  
 Gwan come compliment me

Dem become an enemy  
**F7M**  
 Cop a flight to Paris, lowkey  
**Bb7M**  
 'Cause lil' baby girl I'm tryna breathe  
**Eb7M**  
 Please baby try to understand me

I am not a monster, I'm just a man with needs  
**F7M**  
 I take flights, when I learn it's time to go  
**Bb7M**  
 Tryna take time by crossing timing zones  
**Eb7M**  
 Come press your lips 'pon me

LSD got me feelin' empathy  
**F7M**  
 Warfare out to mind chemically  
**Bb7M**  
 'Cause we suffer endlessly  
**Eb7M**  
 Could be Kamikaze, only time will tell

Even though I'm godly, might end up in Hell

[Refrão]

**F7M** **Bb7M**  
 Sweet melody, wind up your body 'pon mi  
**Eb7M**  
 Your lovin' baby girl, you know mi need it, need it  
 Let me fight for it, me achieve it, 'chieve it

**F7M** **Bb7M**  
 Sweet melody, wind up your body 'pon mi  
**Eb7M**  
 Your lovin' baby girl, you know mi need it, need it  
 Let me fight for it, me achieve it, 'chieve it

**F7M**  
 Feel my love drip over your skin  
**Bb7M**  
 Rich dark chocolate, sweet melanin  
**Eb7M**  
 Forevermore you gon' be my kin  
 Whatever jaw has binded, let no man enter in  
 Ooo oooo ooooo  
 ( **F7M** **Bb7M** **Eb7M** )

[Segunda Parte]

**F7M**  
 Give me your love, it's unrequited  
**Bb7M**  
 The thought of you gets me excited  
**Eb7M**  
 I guess I'll come to your crib, uninvited  
 Offer you all your favorite vices

Girl I know you like it  
**F7M**  
 Girl you can't do like, like me  
**Bb7M**  
 You light up my life, you like, like me  
**Eb7M**  
 Then it be good that's unlikely, likely  
 But drive you comin' down, yeah  
 Turn my life around, yeah
