

# Daniel Caesar - Get You

Tom: D

through drought and famine, natural disasters  
 My baby has\_\_been around for me  
 Kingdoms have fallen, angels be calling  
 None of that could ever make me\_\_leave  
 Every time I look into your eyes I see it  
  
 You're all I need  
 Every time I get a bit inside I feel it  
  
 Ooh, who would've thought I'd get you  
 Ooh, who would've thought I'd get you  
  
 And when we're making love  
 Your cries they can be heard from far and wide  
  
 It's only the two of us  
 Everything I need's between those\_\_thighs  
 Every time I look into your eyes I see it

You're all I need  
 Every time I get a bit inside I feel it  
  
 Ooh, who would've thought I'd get you  
 Ooh, who would've thought I'd get you  
  
 And I'll take some time  
 Just to be thankful  
 That I had days full of you, you  
 Before it winds down into  
 The memories, it's all just memories  
  
 Don't you love when I come around  
 Bill you up then I take you down  
 Don't you love when I come around  
 Build you up then I take  
  
 Ooh, who would've thought I'd get you  
 Ooh, who would've thought I'd get you
