[Primeira Parte]

Bb
I don't stand in line,
I don't pay for clubs, fuck that, yeah
But I'll wait for you
I don't like to drink,
I don't like to think, fuck that, oh-ooo-oh
But I ponder you, oh-ooo-oh-oh
I'm bending it over
You're my four leaf clover
I'm so in love, so in love, yeah

There's no one above up above
Forever's a long time, yes

[Refrão]

Bb **F**
My blue jeans
Will last me all, all my life oh-oo-oh yes
So should we
I'm spending all, my life
