Tom: C  
Intro: Am C G F

[Primeira Parte]

Hey girl, damn girl  
I need you to come with me  
Tonight, let's take a bite  
You make my body feel the heat

[Segunda Parte]

Hey girl, damn girl  
I miss your body, taste so sweet  
Ignite, until daylight  
Let's take our time now, this is it

[Ponte]

You broke my heart  
But i'm stronger now  
That won't happen again

Why won't you come  
And ride with me?  
Just for tonight lets set our souls free

[Refrão]

Just break down  
Release it  
Just use me now  
And feel that beat

And I'll keep you around  
Be free  
So, I'll be outside  
Waiting, waiting

Hey, hey, hey, hey, hey  
Hey, hey, hey, hey, hey  
Hey, hey, hey, hey, hey
