Hey girl, damn girl
I need you to come with me

[Segunda Parte]

Hey girl, damn girl
I miss your body, taste so sweet
Ignite, until daylight
Let's take our time now, this is it

[Ponte]

You broke my heart
But i'm stronger now
That won't happen again

Why won't you come
And ride with me?
Just for tonight lets set our souls free

[Refrão]

Just break down
Release it
Just use me now
And feel that beat

And I'll keep you around
Be free
So, I'll be outside
Waiting, waiting

Hey, hey, hey, hey, hey
Hey, hey, hey, hey, hey
Hey, hey, hey, hey, hey

Hey girl, damn girl

I need you to come with me
Tonight, let's take a bite
You make my body feel the heat
You broke my heart
But i'm stronger now
That won't happen again
Why won't you come
And ride with me?
Just for tonight lets set our souls free

[Refrão]

Just break down
Release it
Just use me now
And feel that beat

And I'll keep you around
Be free
So, I'll be outside
Waiting, waiting

Hey, hey, hey, hey, hey
Hey, hey, hey, hey, hey
Hey, hey, hey, hey, hey

(Am F G)

Just break down
Release it
Just use me now
And feel that beat
