Daniel Cecci - Breakdown

Tom: C
Intro: Am C G F

[Primeira Parte]

```
     Am        C
Hey girl, damn girl
G                        F
I need you to come with me
  Am         C
Tonight, let's take a bite
     G                  F
You make my body feel the heat

[Segunda Parte]

```
     Am        C
Hey girl, damn girl
 G                           F
I miss your body, taste so sweet
  Am       C
Ignite, until daylight
             G                F
Let's take our time now, this is it
```

[Ponte]

```
Am           C
 You broke my heart
                    G
But i'm stronger now
                  F
That won't happen again

Am            C
 Why won't you come
             G
And ride with me?
          F
Just for tonight lets set our souls free
```

[Refrão]

```
          Am
Just break down
    C
Release it
         G
Just use me now
            F
And feel that beat

                    Am
And I'll keep you around
      C
Be free
         G
So, I'll be outside
          F
Waiting, waiting

Am
Hey,hey,hey,hey,hey
C
Hey,hey,hey,hey,hey
G                F
Hey,hey,hey,hey,hey
