

# Daniel Gazzi - Espírito Santo de Deus

tom: G

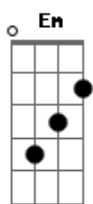

Uma brisa, que vem chegando, me consumindo, me carregando  
 Aquela sensação de paz que só tua presença traz  
 Mais uma vez estou aqui me entregando, me libertando  
 Curando minhas feridas e da dor Tú me livrou  
 Passando por mim Teu espírito me faz entender  
 Guiando meus caminhos ó senhor, Tú és a luz

De pleno esplendor  
 Espírito Santo de Deus, tua presença Me acalma  
 Alívio puro pra alma, fonte de cura de amor  
 Que me livra o temor me liberta da dor  
 Espírito Santo de Deus, fica pra sempre comigo  
 Sei que Tu és meu amigo, que posso contigo contar  
 Espírito Santo de Deus
