

Daniel Gazzi - Espírito Santo de Deus

tom: G

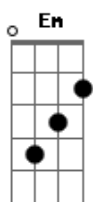

Uma brisa, que vem chegando, me consumindo, me carregando
 Aquela sensação de paz que só tua presença traz
 Mais uma vez estou aqui me entregando, me libertando
 Curando minhas feridas e da dor Tú me livrou
 Passando por mim Teu espírito me faz entender
 Guiando meus caminhos ó senhor, Tú és a luz

De pleno esplendor
 Espírito Santo de Deus, tua presença Me acalma
 Alívio puro pra alma, fonte de cura de amor
 Que me livra o temor me liberta da dor
 Espírito Santo de Deus, fica pra sempre comigo
 Sei que Tu és meu amigo, que posso contigo contar
 Espírito Santo de Deus
