

Daniel Johnston - I Did Acid With Caroline

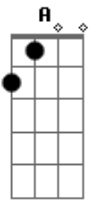

tom:
 I did acid with Caroline and we both had a real good time, we talked till' two in the morning
 Playing records and I showed her some drawings
 I did acid with Caroline and we were one, we were one
 We climbed up top of the building and looked out over the city, the night was cool the wind
 Was blowing, there were dead crickets everywhere

I did acid with Caroline and we were one, we were one
 I did acid with Caroline, we burnt candles all night long, she showed me strange books of
 Black magic, my head was really spinning
 I did acid with Caroline and we were one, we were one
 I did acid with Caroline and we both had a real good time, we talked till' two in the morning
 Playing records and I showed her some drawings
 I did acid with Caroline and we were one, we were one
