

# Daniel Kyre - What If I'm Right

Tom: **G**

Counting the stars

**Em**

In an empty portal

**G**  
You're looking dead

**Em**

Like an empty mortal

**G**  
What will i see

**Em**

When my eyes stop working?

**G**  
What if i'm riht

**Em**

That there is no king?

**G**

I was born with

**Em**

An animation

**G**  
I once believed

**Em**

In your faulty promise

**G**  
Are you that weak

That you follow fiction?

**G**  
Then again, what

**Em**

Do i even know?
