

# Daniel Lima - Giving Way to Life

tom:

D

Dont hesitat, dont cancel your flight

A A A A

Be sure that we've been waiting for a long time

A A A A

I understand that you might be afraid of coming here

A A A A A

Watch may have heard is all true, but now

A A A

D We're giving way to life

F We're giving way to life

A We're giving way to life

D We're giving way to life

F We're giving way to life

( A A )

A A A A  
So much has changed since I first saw this place

A A A A A  
You'll notice right away that we ain't got much space left

A A A A A  
My fellow planet mates are not so eager to save our home

A A A  
And though it seems so hard I know that together now

D We're giving way to life

F We're giving way to life

A

We're giving way to life

D We're giving way to life

F We're giving way to life

F G A  
And all I care about is that you call my name

G F  
If you cant make it through the night

G A  
Just be aware there might be pain

G F  
And that eventually you'll have to try

G A G C  
We'll make our best to guide you through the hardest days

F G A  
And when at last you come to age

D We're giving way to life

F We're giving way to life

A We're giving way to life

D We're giving way to life

F We're giving way to life

D We're giving way to life

F We're giving way to life

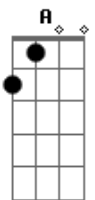

A We're giving way to life

D We're giving way to life

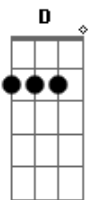

F We're giving way to life

A We're giving way to life
