

Daniel Ludtke - Oriente / Ocidente

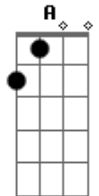

Tom: A

Intro: F C Bb C Dm C Bb

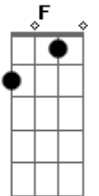

Ele é quem perdoa os meus pecados
 Sara todas as feridas
 Cura o meu coração
 Quem da morte resgatou minha vida
 E me coroa com sua graça e misericórdia
 Assim como o céu
 Se eleva bem acima dessa terra
 Assim é grande o seu amor por mim

E como o Oriente está longe do Ocidente
 Ele afasta as minhas transgressões de mim
 (Gm Bb Dm C)
 (Gm Bb Dm C)
 Assim como o céu
 Se eleva bem acima dessa terra
 Assim é grande o seu amor por mim
 E como o Oriente está longe do Ocidente
 Ele afasta as minhas transgressões de mim
