

# Daniel Nascimento - A Um Coração

tom:

C

Ai! Pobre coração, assim vazio e frio

Sem guardar as lembranças de um amor

Nada em teu seio os dias hão deixado

É fado, nem relíquias de um sonho

Encantador

Não frio coração, é que na terra

Ninguém te abriu, nada teu seio

Encerra, o vácuo apenas queres

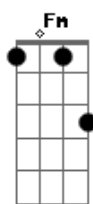

Tu conter não te faltam suspiros

Delirantes nem lágrimas de afeto

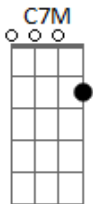

Verdadeiro é que nem mesmo o oceano

Inteiro poderia te encher
