

# Daniel Nascimento - Flowers' Smile

Tom: G

m **Gm**  
There's something in my heart

And i don't know whhat it is

It isn't empty it's always fool

My mistakes always teach me

And my heart learn about it

**Gm** **Cm** **D7**  
Somehow i'll try, somehow i'll love forever

**Gm**  
I can't decide where i go

But love always shows me some place

Nobody knows where it comes from

But i know!

**Cm**  
It comes from spring flower's

It comes from see when gives us the blue

It comes from people when takes care their family

Love ins't fear and fear ins't love

**Gm** **Cm** **D7**  
Love is something that doesn't get up set by anything!

Love is flowers'smile
