

# Daniel Nascimento - Struggles

tom: G

Eadd9 E C  
 Feeling so hard to say and

I don't know what I mean to you  
Eadd9 E C  
 My heart was broken but

Now I understand... And  
Eadd9 E C  
 Struggles so late to stay

What I felt come back again  
Eadd9 C  
 The soft was chosen

I saw, and I won't be there

Stay here

Dbm7 Dbm6 Gbm Am  
 Suppose you make me sad

You were so bad  
Dbm7 Dbm6 Gbm Am  
 Long time no speak

Is it really you?

My love was blue  
Eadd9 E  
 Always a wise man

And the borrow brings sadness  
Eadd9 E C  
 Your heart was stronger at all

Howdy friend. Hi there  
Eadd9 E C  
 When did we last meet?

Hello? Where have you been?  
Eadd9 E C  
 Your mouth keeps on silence

What did I do? Please talk to me  
Dbm7 Dbm6  
 Suppose you can forgive me

I will be glad  
Dbm7 Dbm6  
 Don't let me on the weak

I'm so fool. What can I do?  
Am Eadd9  
 If I loved you
