

# Daniel Nascimento - Tá Amarrado

tom:

A

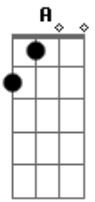

Tá amarrado e não quer soltar  
 enrolado anda devagar  
 vagar a vaga do mar

amar é preciso  
 amar, ah, mar  
 brisa, maresia

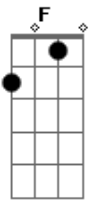

cheiro solto no ar

papo na mesa de bar  
 barra, a tristeza barrar  
 barra da saia, arar a terra  
 saia devagar  
 encerra a fome  
 homem come do seu plantar
