

Daniel Powter - Cupid

Tom: G

G D
Hey oh oh oh
Em C
Hey oh oh oh
G D Em C
Hey oh oh

G
You're the perfect part of me
D
You're the oxygen I breathe
Em
You're a superstar
A work of art
D
It's electricity
G
You're a yes in a world of no's
D
You're the Beatles to my Stones
Em
It's a sweet romance
A spotlight dance
D
Girl, you shake me to my bones
C G Am
But every now and then I'll start to slip away
D

I gotta hear you say
G D
Take me out, spin me around
Em C
We can laugh when we both fall down
G D
C
Let's get stupid dancing with cupid tonight
G D
When I sing out of key
Em C
Still play air guitar for me
G D
Let's get stupid dancing with cupid tonight
C
Don't feel all kind of right
G D
Hey oh oh oh

Em C
Hey

G
And when we fight, we fight
D
And it ain't a pretty site
Em
Well it's not complex
It's the make up sex
D
Though we always get that right
C
Well they don't make a pill
G
That can give me the thrill
Am Am
When you look at me
D

Then I hear you say
(G D Em C)
Take me out, spin me around
We can laugh when we both fall down
Let's get stupid dancing with cupid tonight
When I sing out of key
Still play air guitar for me
Let's get stupid dancing with cupid tonight
Am
Don't feel all kind of right
Am D
It's quite clear to me
G D Em
That we were always meant to be
Am
You're my bird
D

Em
Baby, I'm your bee
You got me a to z
(G D Em C)
Take me out, spin me around
We can laugh when we both fall down
Let's get stupid dancing with cupid tonight
When I sing out of key
Em
Still play air guitar for me
Let's get stupid dancing with cupid tonight
Don't feel all kind of right
(G D Em C)
Hey oh oh oh
Hey oh oh oh
