

Daniel Seavey - I Tried

tom:

Bb (forma dos acordes no tom de G)

Capostrate na 3ª casa

[Primeira Parte]

There's a house by the beach with a dog
On the sheets
Where the sunshine always shines
There's a ring on your hand and I'm
Still in the band
And I hold you every night

[Refrão]

But I lied, I lied
I wasted all your time
Made a promise that I could never keep
But I swear to God I tried

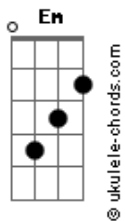

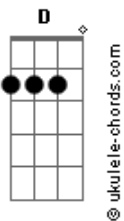

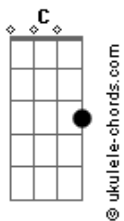

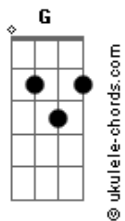

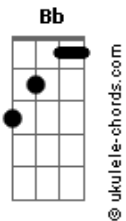

[Post-Refrão]

Ooh-ooh-ooh, ooh-ooh-ooh, ooh-ooh
Ooh-ooh-ooh, ooh-ooh, ooh-ooh
Ooh-ooh-ooh, ooh-ooh-ooh, ooh-ooh
Ooh-ooh-ooh, ooh-ooh, ooh-ooh

[Segunda Parte]

With my feet on the ground and my head
In the clouds
I hope I find my way
Yeah, my heart's still yours, but my
Dream is the world

Acordes

So for now I just can't stay

[Refrão]

But I'll try, I'll try
I won't sleep a single night
So when I see this through, I'll come
Back for you
I'll come back for you

[Post-Refrão]

Ooh-ooh-ooh, ooh-ooh-ooh, ooh-ooh
Ooh-ooh-ooh, ooh-ooh, ooh-ooh
Ooh-ooh-ooh, ooh-ooh-ooh, ooh-ooh
Ooh-ooh-ooh, ooh-ooh, ooh-ooh

When my limbs grow old and my heart
Goes cold

And they lay me down to rest
I won't toss or turn, I won't let it
Burn

'Cause I'll know I tried my best

[Refrão]

But I pray, I pray
You'll come back to me one day
Gave up everything for my hopes and
Dreams
Now I wish I would've stayed
