

Daniel Silva - Grupo Samba Mestiço - Nossa União

tom:

Intro: **Dm** **Am** **F** **Bb** **Am** **Bb** **C7** **A7**
Dm **Am** **Bb** **Am** **Bb** **C7** **A7** **C7**

F7 **Am**
 Eu vi no seu olhar, a arte de amar
Bb **Am** **Bb** **C7** **A7**
 Tentei te conquistar, você me despreza

Dm
 Fico maluquinho, pensando sozinho

Nesse seu carinho

Dm
 E ando de um lado, pra o outro

Não quero esquecer seu rostinho

Dm

E se a distância, o coração balança

É sinal de esperança

De tela em meus braços

Não sei o que faço

Pra ter você aqui....

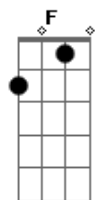

Dm **Am** **Bb**
 Quero te beijar, quero te abraçar

Ter você aqui, bem perto de mim

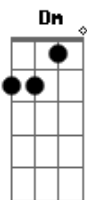

Pro amor nascer, com toda emoção

Pra fortalecer, nossa união
