

# Daniela Mercury - O Reggae e o Mar

Tom: F

Intro: A7 Dm Am

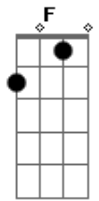

Uma voz, invadiu todo o espaço  
 Essa voz vem mar além, além-mar vento vem  
 Tempo vai me levar

Onde a onda é a dança do mar, maré cheia balança  
 Quem não balançou, vai balançar

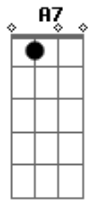

Eu adoro o reggae como adoro o mar

Por toda terra se ouvia cantando  
 No horizonte a linha do oceano  
 Marley, Marley, Marley, Marley  
 O reggae é barco a vela navegando  
 Quem balançou, balançou  
 Quem não balançou, vai balançar
