

Daniela Mercury - Sorriso Mudo

Tom: G

Quem me vê assim sorridente
 Não sabe o que estou passando
 O meu sorriso é mudo
 Eu devia era estar chorando
 Ai, ai, ai, la, la, ...
 Eu devia estar chorando

Mas o mundo é mesmo assim
 Enquanto um sorri
 Outro chora de dor
 Na vida há gente feliz
 Mas noventa por cento
 Sofre por amor
 Ai, ai, ai, la, la, ...
 Noventa por cento sofre por amor
