

Danielle - I'm Having Fun

tom:
F (forma dos acordes no tom de G)
Afinação: D G C F A D

Tonight is like an ordinary day
And I'm here waiting on the rain
Now I know you will not come boy
But I know
This is the least I try
You're talking about her again and again
And now I'm the villain of the girls
Even if you tell your Friends that you don't love her
Don't get me wrong

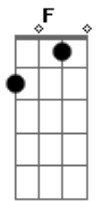

You know that you're acting like a bitch
This gets more and more fun
And you really getting bored of this while
I'm having fun
Fun
Fun

You know that you're acting like a bitch
This gets more and more fun
And you really getting bored of this while
I'm having fun
Fun
Fun

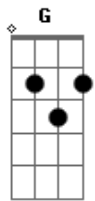

We went to the mall five days before
You were with me while you kissing her all night
What the hell were you thinking about me?
I'll be the actress of your bad dreams
I already knew you're not for me baby
Hope she treats you, treats you better how I did
She's on fancy car and tops, she's not pretty

I'll be the actress of your bad dreams
You know that you're acting like a bitch
This gets more and more fun
And you really getting bored of this while
I'm having fun
Fun
Fun
You know that you're acting like a bitch
This gets more and more fun
And you really getting bored of this while
I'm having fun
Fun
Fun
Counting the time and you are losing
Screams the seconds and the hours are running
And it's fun to see you fall apart on your knees (ahh yeah)
(G Am C Cm)
(G Am C)
Hey
You know that you're acting like a bitch
This gets more and more fun
And you really getting bored of this while
I'm having fun
Fun
Fun
You know that you're acting like a bitch
This gets more and more fun
And you really getting bored of this while
I'm having fun
Fun
Fun
(G)
