

Danilo e Ruan - Beijo Molhado

Tom: Bb

Afinação: D G C F A D Gm

Uma rosa na mão

Chove forte e eu de pé em frente ao seu portão

Só tenho 10 segundos pra me decidir

Eu to o interfone, você falou "alô" a minha voz sumiu

Faltou terra nos pés bateu um arrepio

Alô quem é? Quem ta falando?

Respondi sou eu, abre essa porta vamos conversar

Tá muito frio não demora
A porta se abriu, você sorriu, e me abraçou

Refrão:

E o tempo parou pra mim, parou pra nós

E aquele beijo molhado calou a nossa voz

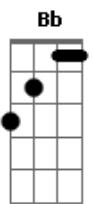

E o amor aconteceu de novo, aconteceu de novo

Parou pra mim, parou pra nós

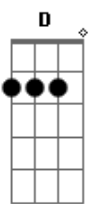

E aquele beijo molhado calou a nossa voz

E o amor aconteceu de novo, aconteceu de novo
