

# Danilo Gonçalves da Silva - Aos Teus Moldes

tom:  
 Quero arrancar de dentro do meu coração  
 Aquilo que não pertence a mim  
 O pecado me maltrata, constringe o meu viver  
 Preciso aceitar o meu morrer  
 Deixar pra trás o que passou, vem me refazer  
 Aos teus moldes, eu quero ser

[Refrão]

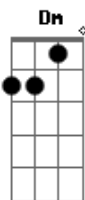

Quero contigo caminhar, a minha vida transformar

Tua luz refletir em mim, pra que aos outros eu possa ir  
 Realiza tua promessa, realiza tua promessa  
 Eu anseio na espera  
 És minha força, és meu tudo, objeto do meu canto  
 Eu o celebrarei, o exaltarei  
 Pois me tirastes das profundezas do pecado  
 Alvejadas as minhas vestes estão  
 Desejo profundo de te adorar  
 Em tua presença pra sempre quero estar
