

Danilo Gonçalves da Silva - Aos Teus Moldes

tom:
 Quero arrancar de dentro do meu coração
 Aquilo que não pertence a mim
 O pecado me maltrata, constringe o meu viver
 Preciso aceitar o meu morrer
 Deixar pra trás o que passou, vem me refazer
 Aos teus moldes, eu quero ser

[Refrão]

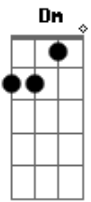

Quero contigo caminhar, a minha vida transformar

Tua luz refletir em mim, pra que aos outros eu possa ir
 Realiza tua promessa, realiza tua promessa
 Eu anseio na espera
 És minha força, és meu tudo, objeto do meu canto
 Eu o celebrarei, o exaltarei
 Pois me tirastes das profundezas do pecado
 Alvejadas as minhas vestes estão
 Desejo profundo de te adorar
 Em tua presença pra sempre quero estar
