

Danilo Gusmão - Bandeira

tom:

Intro: Bm

Meu sustento é promessa de pão
 Tatuagem de samba na pele
 Queimada do sol

No retrovisor

Diante da incerteza, do tédio, o mediúnico
 Distante da destreza do gesto, do elo
 Debaixo do sol, o chão

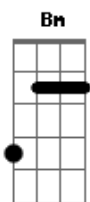

(Bm Bb A7 Ab)
 (G7M Db G7 Gb)

Anunciando uma nova canção de tudo
 Se percebendo porto que não se contenta
 Com mar sendo outro
 Desprende-se da volta

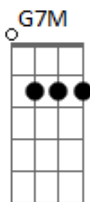

Da mama, da carne distante do osso

E hasteia sobre a dor
 Hasteia
 Hasteia toda cor vermelha
 Pela vida inteira hasteia o nosso amor
 Bandeira
 Hasteia pro vento mover de vez
 Hasteia sobre a dor
 Hasteia
 Hasteia toda cor vermelha
 Pela vida inteira hasteia o nosso amor
 Bandeira
 Hasteia pro vento mover de vez
 Toda poeira
 (Bb A7 Ab G7M)
 (Db G7 Gb Bm)
