

Danilo Machado - Mistake

tom:

Intro: C Am G Am G Am G C

[Primeira Parte]

How to go alone

When you're always there

Wanted you at home

But it would be unfair

[Refrão]

To think that all the time

And now I realize

My mistake

Tried to telephone

Woke in the middle night

I'm feeling in my bones

That i will lose this fight

[Refrão]

To think that all the time

To think that all the time

And now I realize

My mistake

[Solo] Am C Am C

[Refrão]

To think that all the time

And now I realize

My mistake

Tried to telephone

Woke in the middle night

I'm feeling in my bones

That i will lose this fight

[Refrão]

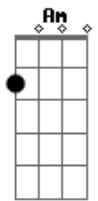

To think that all the time

And now I realize

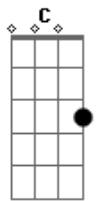

My mistake

[Final] Am G Am G Am G C
