

# Danival Santos - Recomeçar

**G** tom:

Tudo agora vai ser diferente  
 Pois abri meu coração  
 Deus entrou tirou tudo que era ruim  
 Pra que eu pudesse recomeçar  
 O amor de Deus

Adentrou meu coração

## Acordes

E uma vida nova  
 De hoje em diante vou seguir  
 [Refrão]  
 Eu vou buscar tudo alto  
 Tudo que vem de Deus  
 Do céu onde  
 Quero morar
