

# Danni Carlos - You oughta Know

Tom: **Eb**

I want you to know that I'm happy for you.  
I wish nothing but the best for you both.

**Fm**  
Another version of me  
Is she preverted like me?

**Bb**  
Would she go down on you in a theatre?

**Fm**  
Does she speak eloquently?  
And would she have your baby?

**Bb**  
I'm sure she'd make a really excellent mother.

**Fm**  
'Cause the love that you gave that we made  
**Ab** **Bb**  
wasn't able to make it enough for you to be open wide. No,  
**Fm**  
and everytime you speak her name  
**Ab**  
does she know how you told me you'd hold me  
**Bb**  
until you died? `Til you died,  
but you're still alive.

**F** **Eb**  
And I'm here to remind you

**Ab** **Bb**  
of the mess you left when you went away.

**F** **Eb**  
It's not fair to deny me  
**Ab** **Bb**  
of the cross I bare that you gave to me.  
**Bb**  
You, you, you oughta know.

**Fm**  
You seem very well.  
**Bb**  
Things look peaceful.

**Fm**  
I'm not quite as well.

**Bb**  
I thought you should know.

**Fm**  
Did you forget about me Mr. Duplicity?

**Bb**  
I hate to bug you in the middle of dinner.

**Fm**  
It was a slap in the face how quickly I was replaced,  
**Bb**  
and are you thinking of me when you fuck her?

Break:

**Fm Bb** (4x)
